PRINCIPAL'S MESSAGE

It gives me great pleasure in presenting to you the first volume of this newsletter of session 2018-19 brought out by the primary department of Kendriya Vidyalaya Babina Cantt. I have a firm belief that the children in the primary years are great stores of creativity and if their potential is tapped in the right way they can achieve a lot of things and do wonders. The 'Back to Basics' policy brought out by KVS entails a very fine blend of the traditional with the modern. Emphasis is laid on development of skills. This newsletter is one of those multifarious outlets that allow these tiny ones to try their hands at some creative business. I hope this as well as the further editions of the newsletter will maximize opportunities for the children to write or draw and feel happy seeing their work getting showcased. I thank all staff members involved in this task for their efforts have finally reached fruition.

Welcome of Class 1 students!

The school welcomed its tiny tots with a token of love. They were blessed by our honourable principal sir and other staff members.

School Readiness Programme

Leaving your house and entering the school for the first time is indeed an intimidating task. To make our first graders comfortable, our teachers ensured that the students are familiarized with the school building, fellow students and the staff members. Every effort is being taken by the teachers to teach them basic concepts like colours, numbers etc using concrete material. Rhymes and stories are being used for instilling moral values and personal hygiene.

Morning Assembly

A good morning assembly can surely set the mood right. It not only prepares you for the whole day but it's the only time that you spend with all the students in the school. Every Monday, Wednesday and Friday, the morning assembly is zealously conducted by the primary graders.

Birthday celebration

To make our children feel special, we celebrate their birthday in the morning assembly by showering our blessing with a birthday song and a card.
